

SPEAKING**(THE SECOND TERM)****VARIANT 1**

1. Work with your partner. Imagine that you want to organize an end-of-year party at school. Ask questions about the following things:

— number of guests to invite

.....

— where to hold the party

.....

— when to hold the party

.....

— what you want people to wear

.....

— food and drink

.....

— entertainment (music, games, karaoke singing, etc.)

.....

— how long the party is going to be

.....

— how to inform people about it

.....

— how to decorate the room

.....

— other problems

.....

2. Look at what advice some people gave about choosing an area to live in. Match the first part of each sentence 1-4 with the second part a-d.

1) Being near a hotel isn't so important

2) It's nice to have a friendly restaurant nearby

3) You should find out

4) It's good to be near the shops

a) if you suddenly realize you need bread.

b) for times when you don't want to cook.

c) what sports you can do in the area.

d) if you have your own home.

SPEAKING (THE SECOND TERM)**VARIANT 2****1. Talk to your partner and exchange information about your personal lives. Ask questions about the following things:**
