Hi. My name's Manolis. I'm twelve years old and I'm from Greece. My dad is Greek, but my mum isn't. She's from India and her name is Aditi. My mum is a doctor and my dad is a teacher.

I've got a brother and two sisters. My sisters are twins. They are ten years old. Their names are Ariadne and Padma. My brother is a very small baby. He can't walk and he can't talk, but he's very funny. We love him very much.

We live in a small house in a big city. I haven't got a big bedroom, but I like it. I've got a computer in my room and I like playing computer game. My sisters don't like computer games. They like music. They can play the guitar and they're very good.

TASK I. Are the sentences True (T) or False (F)?

|  | $\mathbf{T}$ | $\mathbf{F}$ |  |
| :---: | :---: | :---: | :--- |
