## TASK 2

Read the text below.

For questions (6 - 10) choose the correct answer (A, B, C or D).

Write your answers on the separate answer sheet.

### Vacation in the Mediterranean

People travel for a lot of reasons. Some tourists go to see battle fields or religious shrines. Others are looking for culture, or simply want to have their picture taken in front of famous places. But most European tourists are looking for a sunny beach to lie on.

Northern Europeans are willing to pay a lot of money and *put up with* a lot of inconveniences for a chance to relax in the sun because they have so little of it. Residents of cities like London, Copenhagen and Amsterdam spend a lot of their winter in the dark, because the days are so short, and much of the rest of the year in the rain. This is the reason the Mediterranean has always attracted them. Every summer, more than 25 million people travel to Mediterranean resorts and beaches for their vacation. They all come for the same reason: sun!

The huge crowds mean lots of money for the economies of Mediterranean countries. Italy's 3,000 hotels are booked solid every summer. And 13 million people camp out on French beaches, parks and roadsides. Spain's long sandy coastline attracts more people than anywhere else. About 37 million tourists visit it yearly, or one tourist for every person living in Spain.

But there are signs that the area is getting more tourism than it can handle. The Mediterranean is already one of the most polluted seas on earth and, with increased tourism, *it* is getting worse. The French can't figure out what to do with all the garbage left by campers around St. Tropez. And in many places, the water is polluted.

None of this, however, is spoiling anyone's fun. The Mediterranean gets more popular with tourists every year. Obviously, they don't go there for clean water and solitude. They tolerate traffic jams and seem to like crowded beaches. They don't even mind the pollution. No matter how dirty the water is, the coastline still looks beautiful. And as long as the sun shines, it's still better than sitting in the cold rain in Berlin, London or Oslo.

**For questions (6 - 10) choose the correct answer (A, B, C or D).**

- 6.** According to the text .....
- A** tourists look for privacy at Mediterranean resorts
  - B** the Mediterranean can hardly deal with the flow of tourists
  - C** tourists like visiting the Mediterranean in the winter months
  - D** it is not safe anymore for tourists to relax at Mediterranean resorts
- 7.** The phrase "*put up with*" in the second paragraph means .....
- A** meet
  - B** fight
  - C** accept
  - D** overcome
- 8.** The word "*it*" in the paragraph 4 refers to .....
- A** tourism
  - B** earth
  - C** the French
  - D** the Mediterranean
- 9.** What habit of European tourists does the author complain about?
- A** They are loud.
  - B** They are wasteful.
  - C** They litter campsites.
  - D** They damage beaches.
- 10.** Why is the Mediterranean so popular according to the author?
- A** Because of its favourable climate
  - B** Because of the interesting night life
  - C** Because of good hotels and services
  - D** Because of its famous historical places

## TASK 3

---

Read the texts below.

Match choices (A - H) to (11 - 16).

There are two choices you do not need to use.

Write your answers on the separate answer sheet.

11. Toaster
12. Bike
13. Roller Suitcase
14. Breadmaker
15. Coffee Machine
16. TV set

**A** It doesn't get much more space-age than this. It hangs down from the ceiling, stretching out to a 74 cm diameter at its base, and comes with a useful sliding spark screen.

**B** At just 24mm thick and with a "tasteful" silver frame, it is certainly more "glamorous" than its rivals. But picture quality on the 46in screen is "hit and miss", while the audio feels "below par."

**C** This "expressionistic" hand-made device from Dutch designer is as functional as it is attractive. Made from aircraft-grade aluminium, it's hand-finished to create an authentic 1950s look, and produces "perfect" drink.

**D** One for the truly lazy traveller, it has motor-assisted wheels to help with steps and slopes. It also eases the load with a clever sliding handle that centres 85% of weight above the wheels.

**E** This professional device does all the hard work for you. Simply pour in your ingredients and it will shake or stir your drink while chilling it to the right temperature.

**F** With its three browning settings, three loaf sizes and a raisin/nut dispenser, it is packed with features. It produces products that are "evenly" cooked and light with an elastic texture.

**G** Not many things suit both men and women, but this design does. It's stylish and practical, and the easily adjustable seat and handlebars make it suitable for all ages.

**H** The device has double-insulated glass on both sides, giving a clear view of each slice as it browns. There is no excuse for burning.

## TASK 4

Match choices (A - H) to (17 - 22).

There are two choices you do not need to use.

Write your answers on the separate answer sheet.

### Say Cheese

Of course, mothballs aren't much help (17) ..... - or people who are determined to get a photo of them! I had a funny encounter (18) ..... in Grundy Lake Provincial Park, South of Sudbury, Ontario. I was pedaling my way along one of the camp roads, (19) ..... , his snout buried in a bag of Cheezies. I stopped a safe distance away (20) ..... , trying to stop the giggles that threatened to erupt from me as (21) ..... to get at the Cheezies in the bag. A moment later, a woman ran out of the woods not far from the bear, camera in hand, frantically yelling, "Where'd the bear go?" Then, hot on her heels, followed her husband - who was loaded down with towels, a toiletry kit and other stuff - also yelling, "Honey, I don't think you should be chasing that bear!"

I felt sorry for the little bear, (22) ..... . I often wonder whether that woman got the photo she so desperately wanted. As for me, I had another picture impressed in my memory for always.

- A who just wanted to savour his tasty treat in peace
- B to take a vacation together
- C when a small bear came stumbling out of the woods
- D when it comes to keeping bears away
- E because of its beauty and great hospitality
- F the little bear tried his luck
- G with both while riding my bike one day
- H to watch events unfold

And sometimes (27) ..... are handwritten! Just like in Hollywood the first Indian films were (28) ..... , but then in the 1930s the films became "talkies."

Many Indians came to live and work in Britain around fifty years ago and they (29) ..... their culture with them. Bollywood films are really colourful with a great (30) ..... of singing, dancing and plenty of costume changes. They usually have the same story about a boy and girl (31) ..... in love, but their families don't want them to marry.

There is a big problem with piracy - where people copy films and sell them or show them to other people for free. If everyone paid to see the films (32) ..... , Bollywood would make lots more money.
